ERIE COMMUNITY CENTER: FITNESS CLASS DESCRIPTIONS

GROUP FITNESS

BODYCOMBAT®: An empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines, such as karate, boxing, Taekwondo, Tai Chi and Muay Thai.

BODYPUMP®: Hailed as the “Fastest Way in the Universe to Get in Shape.” This is a strength and endurance training class where muscles collide! Low on complexity but high in fun, BODYPUMP™ has all of the benefits of traditional weight training combined with time efficiency and predictability.

Arthritis Foundation Exercise Class: This class begins with gentle stretching and range of motion training, followed by balance work, light weight training, and strengthening exercises to increase bone density.

Barre Tone: An intense ballet barre & floor workout that will strengthen, lengthen & sculpt your legs, glutes & core muscles.

Cardio Circuit: A combination of step, kickboxing and stretching. The choreography is varied with aerobic moves and all over body strengthening exercises.

Express Core: A 30-minute class covering a variety of exercises aimed at strengthening the abdominal and lower back muscles.

Intervals: A high energy full body workout that combines both cardio and strength training. Class format varies week to week to keep you on your toes.

Interval Training: A high energy, high intensity workout that combines cardio drills, strength training, balance, coordination and core into a workout your body will love. Class format varies week to week to keep you on your toes.

Mommy Intervals: Bring baby in his/her stroller and get a great workout with cardiovascular and strength intervals. Modifications will be made to accommodate all fitness levels. Infants ages 6 weeks to 9 months are welcome in a stroller (babies are not required).

Muscle Conditioning: Mix up your strength routine with this total body strength workout utilizing a variety of equipment and exercises to keep your challenged and motivated. Never the same workout twice.

Boot Camp: Get into peak physical condition by integrating functional strength training, cardio intervals and core conditioning. A high energy class sure to get your heart pumping and your muscles working.

Piloxing: A combined cardio workout which includes both Pilates and Boxing. The workout combines all the power moves of boxing for that intense cardio to burn calories, along with incorporating lots of Pilates movements to help tone and strengthen.

Power Step: A high energy class choreographed for the ultimate step workout. Previous step experience recommended.

Step Interval: This is a fun step class containing energetic intervals for more intensity.

Total Body Conditioning: A total body workout you won't soon forget! Start with 30-minutes on the bike, move to 30-minutes of non-choreographed strength and cardio drills. Top it off with a well deserved cool down and full body stretch.

TRX Intervals: A 45 minute Suspension Training total body workout with cardio intervals intertwined! TRX allows you to safely perform hundreds of exercises that build power, strength, flexibility, balance, mobility, and prevent injuries, all at the intensity you choose. The cardio intervals are sure to keep your heart rate up and your body continually moving. Must pay fee prior to class.

Zumba®: A fusion of Latin and International dance music themes that create an exciting, unique and fun fitness class! The routines feature aerobic interval training with a combination of fast and slow rhythms.

Zumba Gold®: A series of fitness programs specifically designed to take the exciting Latin and international dance rhythms created in the original Zumba® program and bring them to the active older adult, the beginner participant, and other populations that may need modifications for success.

INDOOR CYCLING

Ride 60: Indoor cycling at its best! We will guide you through a creative and effective workout with coaching techniques to ensure you have a positive riding experience.

MIND BODY

All Levels Yoga: Basic to extensive yoga experience is appropriate for this class in which poses will be taught with suggestions for both minimizing and maximizing the intensity. An exploration of forward and backward bends, twists, balance poses, inversions, relaxation and breath work will be included.

Gentle Yoga: Both beginning and experienced students will benefit from a focus on the fundamentals of form and alignment in basic poses. Participants will work on improving balance, building strength and increasing flexibility. Occasional intermediate poses will be introduced.

Nia®: Promotes strength and muscle definition through a fusion of martial arts, healing arts and dance. Its holistic approach unites the body and mind, and creates an exhilarating workout anyone can follow. All Nia® movements are adaptable and can be personalized for any level of fitness and agility.

Pilates: Is a rhythmic, focused exercise that connects one movement to the next, building greater endurance, flexibility, strength and performance.

Yoga: Yoga views health as a unity of body, mind and spirit and includes a wide variety of yoga postures, breathing exercises, relaxation and meditation techniques. A beginner/intermediate level class.

SilverSneakers® FITNESS PROGRAMS

SilverSneakers® Muscular Strength & Range of Movement: Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

SilverSneakers® Cardio Circuit: Combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work using hand-held weights, elastic tubing with handles, and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, head to toe stretching, and complete relaxation in a comfortable position.
